# Coanda Scientific Events

The 26<sup>th</sup> Edition of the International Conference AFASES, 2025

## Scientific Research and Education in the Air Force

22 - 24 May, 2025

### Second Call

**Conference main purpose:** AFASES is a scientific event of reference for the research in the Romanian Air Force, focused on military sciences. The AFASES conference has now reached its 26<sup>th</sup> edition. The event is organized to disseminate the academic research of the participants and to identify the most appropriate ways to spread, promote and render the results of academic research.

**Event structure:** AFASES 2025 will be structured in three parts: plenary opening; panel presentations of scientific contributions; socializing events. The AFASES 2025 schedule will be provided later.
